Do you have a Kindle or an iPad? Are you taking advantage of your local public libraries and checking out free e-books or audiobooks for yourself? Go to your local library's website, check out **Libby** and start borrowing e-books or audiobooks or saving them on your wishlist or hold list. **Note that some libraries outside of your hometown will also allow access to free books. This will give you more options.** Any questions? **Ask a librarian for help!**
